

April 17, 2020

Hello everyone,

Even though I just wrote on April 13, I wish to update you on what is happening here at St. Mary's Home. Things change by the day, and we continue to do all we can to keep our Residents comfortable and safe. Since I last wrote we have had three newly confirmed cases of COVID-19 in the Home and another death of a COVID-19 confirmed Resident. That brings our total number of confirmed cases to 10 in the house (four of whom have passed away) and 1 in the independent living apartments. A local clinic has offered to do testing for all Residents and Sisters, and those employees who wish. This will take place early next week, and in the interim, they will be able to test symptomatic Residents.

We thank you for your continued support and prayers. Once again, be assured of our prayers for all of you.

God bless,

Sr. Julie, lsp
