

May 28, 2020

Hello everyone,

Our city “heated up” this weekend in more ways than one and, as we move towards a possible further reopening next week, we have much to pray for regarding all that it will encompass and entail.

Here at our Home we learned of a new case of coronavirus among our staff. Thankfully, no other staff members or Residents show any signs or symptoms, but we are going to proceed with retesting of all Residents, Sisters and staff to make sure we root out any other possible asymptomatic cases.

As our journey continues, we know that we will not be returning to the “normal” that we knew before the coronavirus, but we look forward to the little steps that will help us reassume some of our regular activities and patterns of life. Know that we keep all of you in our prayers, and please pray for us, too.

God bless,

Sr. Julie, lsp
