

April 29, 2020

Hello everyone,

Since my last letter of April 25, we have received almost all of the remaining test results for which we have been waiting. Thankfully, all of these were negative. We are working to obtain the final results we are lacking. One of our staff members who was tested this week came back positive, and is taking the required time off according to CDC guidelines.

Also, since I last wrote, two Residents have left us for the Father's house. We thank God for allowing us to accompany them on their life's journey and we pray for the repose of their souls and the consolation of their families.

With all of you and everyone in our world these days, we continue learning how to truly take "one day at a time." God is so good to us, and his goodness continues to show through so many friends, new and old, who are helping us. We truly believe, as St. John of God said, that all those who do good to others do good to themselves at the same time. Every time we open our hearts to respond to God's call, it just makes more room for him to enter.

Be assured of our prayers for you and your families, and please continue to keep us in prayer, too.

God bless,
Sr. Julie, lsp
