Hello everyone,

As the first half of this remarkable year draws to an end, we can only wonder what the second half will bring. Thankfully, everyone is doing well here at our Home. We are still doing weekly testing and will need to continue until we get the green light from the Health Department to bring that to a close. Since we have been virus free for two weeks, though, it is very nice to be able to go back to worrying about the "normal" problems of life.

This weekend the Sheffield Neighborhood Association, who have provided us with so much support over the last 2 ½ months, will be doing a 4<sup>th</sup> of July cookout for the whole house. Hot dogs for the event are being donated by Vienna Beef. The support of this Association, all of you reading this, and so many other people and groups known and unknown have brought to life exactly what Jeanne Jugan envisioned in how to care for the elderly. We are all God's children, and as brothers and sisters we care for one another. That care has certainly been felt by us these past months.

Wishing you a Happy and safe 4<sup>th</sup> of July!

God bless,

Sr. Julie, lsp
