

November 2, 2020

Hello everyone,

Today should have been our day to be able to resume group activities around our Home and start moving forward again on the process of reopening. However, due to the high positivity rate in our city we are obliged to push these changes back indefinitely. Once the city starts to move forward again, we will have another two weeks before we can start communal activities. Of course, this isn't happy news, but we are certainly going to do all we can to keep the Residents' spirits up and to support one another along the way.

Last Friday we celebrated Halloween a day early with a costume parade through the halls. Employees dressed up and did a reverse trick or treat – giving out candy to Residents who watched it all from their bedroom doors. This little way of changing up the regular routine brought great joy to everyone!

In this month of November we remember in a special way all of our Residents who have left us in the past year. I invite you to watch the slideshow here on the website as a way of joining us in this remembrance. May God grant eternal rest to them all and consolation to their families.

May God bless you and your family, too – let us remain united in prayer for so many important intentions in these days.

Sr. Julie, lsp
