

January 25, 2021

Hello everyone,

Last week was quite eventful for all of us. We are happy to share with you that our interim administrator, Melissa Wierzgac, has agreed to come on permanently with us. She has brought a great deal to our Home already and we look forward to working with her going forward.

We regret to have to tell you that we have one Resident and two employees who tested positive for the Coronavirus in last week's testing. The Resident is asymptomatic but is staying on our COVID unit during their isolation. The employees will be away from work for the required time of quarantine.

Coming just one week after receiving the first dose of the vaccine, this news makes us look forward even more to being fully immunized. February 12 is our target date and we will continue to do all we can to keep everyone safe and healthy in the meantime.

Have a good weekend. We thank you for your prayers for us; be assured of our prayers for you as well.

God bless,

Sr. Julie, lsp
