

January 15, 2021

Hello everyone,

As Day 1 of our vaccination administration draws to a close, we wanted to reach out and assure you that everyone is doing very well so far. The pinch of the vaccination needle was softened by a wonderful themed program for the day: Destination Vaccination. Hawaiian decorations, plane tickets, mocktails, mobile picture booth, leis and Island music all made for a festive atmosphere as our vaccination team from Walgreens made their way through the halls. In the midst of it all Sr. Ann repeatedly led different groups in singing "Oh Happy Day...when Jesus washed the vaccine away!"

We are so grateful to all of our staff members who entered into the spirit of the day and made it such a happy occasion for everyone. On a more serious note we are, of course, doing the necessary post-vaccination monitoring for all Residents and continuing our regular precautions. Thankfully, this week's testing revealed no new cases of the virus among our population.

Next vaccination date is February 12, the first day of Chinese New Year and two days before Valentine's Day. We'll see what Maggie and company come up with for us then!

As we pray for each other and pray for our country on this Martin Luther King weekend and lead up to the Inauguration, we thank you again for all of your support.

God bless,
Mother Julie
