

St. Mary's Home, Chicago

April 23, 2021

Dear Families and Friends,

Our Home is looking forward to several fun events: Mother's Day, opening of the general store, surprise raffles from Sister Anne, Bingo, warmer weather to sit outside, planting of an herb garden, and much more.

Currently, no positive Covid tests were reported in the recent retesting of the entire Home. However, our 1 South/Our Lady of Joy Residents will remain under quarantine until April 30th. These rooms are Numbered 125 through 142. I am sorry for the inconvenience for our Residents and their families; as we continue to follow the guidelines directing our Home's decisions. I encourage the 1 South family members to schedule visitation times now with Lisa from Social Services beginning on April 30th.

In other news around our Home Sister Francis John will be leaving us to join the community in Gallup, NM. Her kindness and dedication to our Residents will be missed. We look forward to two new Sisters joining the Home: Sister Stephen, who will be returning, and Sister Charles Patricia.

The Sisters and I would like to thank you for your continued volunteer support, prayers and the goodies you have sent the Home, supporting us in our mission.

Melissa Wierzgac, Administrator
